This gift of the Gospel of John is to help you to better know and appreciate Jesus.

To learn about Jesus Christ is the most important thing a person can do. In Jesus Christ are hidden all the treasures of wisdom and knowledge. In fact, the whole fullness of deity resides in Him. He is the image of the invisible God, the One who is pre-eminent over all creation.

The little book of John is really a giant when it comes to knowing about Jesus Christ. The Apostle John wrote it so that we, “may believe that Jesus is the Christ, the Son of God, and that by believing, you (we) may have life in His name.” (John 20:31). The life that Jesus will give is a life lived correctly in this world but beyond that, eternal life in the world to come. **“He is the way, the truth, and the life.”**

So to learn about Jesus is the most important information we human beings could ever attain. Without the knowledge of Jesus we are left without the guidance of God in our lives and without Him on into eternity.

Prayerfully, read this gift of the Gospel of John and you will receive the best of all understanding. God may bless you with faith and give you eternal life.
