NEWSLETTER - 4TH QTR. 2024

Dear Friends in Christ,

As we come to the end of another year we can only marvel and rejoice in God's goodness to provide for our needs and even a few 'wants'. As we come to the end of 32 years here in the Philippines, we both agree that the Lord's faithfulness and blessings have only increased and we look forward with anticipation and confidence to 2025!

Family News

We enjoyed our 4 week trip back to the USA. We boarded flights 7 different times to visit with family in 5 different states, meet new grandchildren, attend our son's wedding and take care of a few other things. It went by too quickly but we are thankful we were able to be with family for a short while.

In late October our daughter Elisabeth and our son Joseph were able to come visit with their spouses and our grandson Nathan for a couple of weeks. We thoroughly enjoyed the time together with each of them.

Ministry Updates

In our Faith Bible Institute branch here the 12 students in our church completed 2 semesters in 2024 and will begin the 3rd semester this coming January. Everyone is very excited

about what they are learning and they have all done well on the semester tests.

Our church was able to raise the money for 75 Christmas food baskets worth about \$14 each to needy families this past 24th. Our youth group raised the money to distribute 40 hot meals to the homeless on the evening of the 24th. It is a blessing to see that our church family has such a giving spirit!

We brought our Bible clubs all together for their annual Christmas Fun Day with about 120 kids present. They all received meals and heard the Gospel message.

The 5 children in our Children's Home are all doing well and 2 of them will come up for matching to families this 2025. Please pray for God to provide just the right families to them.

Thank you for your prayers and support and may the Lord continue to bless you as you serve Him this new year!
