NEWSLETTER - 4TH QTR. 2025

Dear Friends in Christ,

We praise the Lord for another year of service to Him here in the Philippines! I think almost every year has been better than the previous and so we look forward to what 2026 brings our way.

Family News

We have enjoyed our furlough time getting to be with family and a few of our supporting churches as well! We along with our 3 kids, their families, some nieces and nephews were all able to enjoy a family vacation together! We also rejoice in the news from our son Andrew and his wife that a **new grandson** is on the way by late April or early May! We now head back to the Philippines

Ministry Updates

- The local social welfare office head contacted us to see if we could host a 2 day camp for about 30 kids who are **'in conflict with the law'**. Our staff was able to make it a very memorable time for them with games, good food and of course the preaching of God's Word along with individual counseling. Our town **mayor** even came out to check on how things were going! What a blessing that quite a few of these young teens prayed for the Lord to save them!
- Every December our church family always gives money towards **Christmas food baskets** to be given out on the 24th of December to some of the many needy families in our town. This year, thanks to their generosity and that of our home church here in Tallahassee they were able to give out 100 baskets each worth about $15! The Gospel is shared and tracts included in each basket.
- Our church youth also raise enough money among themselves each December to **give out meals** to the homeless within our town - this year they were able to give out 60 meals! What a blessing to see how they have also taken that ministry upon themselves to demonstrate God's love to the needy.
- We brought our Bible club kids together (almost 200) for a **Christmas Funday** with lots of food, games, gifts and preaching from God's Word and we rejoice that several of these children prayed for salvation.

Prayer Requests

- More souls to be saved
- A new and bigger property for our church ministry

Thank you and may the Lord bless each church and individual for your prayers and financial support through all these years which has allowed us the privilege to minister God's Word to the needy people in our part of our Lord's great vineyard. May we be the generation blessed to see His soon return - even so, come Lord Jesus!
