"For God, who commanded the light to shine out of darkness, hath shined in our hearts..." 2 Cor. 4:6

Dear Ministry Partner,

We are very thankful for the various opportunities we have to share the Gospel here in Kenya. The Kenyan flag is an object lesson in itself. The black represents the Kenyan people, red stands for blood that our forefathers shed to buy freedom from the colonizers and white is for the peace that came as a result. Green is for the agriculture which forms the backbone of our economy. What a platform this provides for sharing about the freedom that Christ bought with His blood.

(Kitui Church Gate)

In April, God has sent us Brother Fred Ensign from Craig, Alaska, USA. He has done an excellent job in raising support for our new Kitui church. He was God sent!

May and June saw our missions director Dr. Larry Ball and five others join us to evangelize in public schools. Students and trainees in a teachers' college were counseled for salvation. In the last meeting, Dr. Ball spoke to at least 700 teacher trainees. We are following up the new converts. Two of the schools we visited are a walking distance from our upcoming church.

(Foundation for the church building) Dr. Tetreau my former college president and the Chancellor of International Baptist College & Seminary is teaching in our Bible college this week. It is quite an honor and a blessing to have Dr. T. here with us.

The construction work in Kitui has started. We have put up the foundation pillars (columns). Although the building will not be ready, we intend to start the services, Aug. 31, 2016

Eliakim Ombos was installed and ordained as the Pastor for Drumvale on May 29. Eliakim is a product of our Bible college. That is a great joy and blessing.
